June 26, 2018

The press - conference on recommendations for State authorities will be held that includes following:

1. To encourage the Government of Georgia to create an independent investigation mechanism according to the international standards, namely CAT Articles 11 12.
- 2) To create an independent monitoring body for monitoring of close facilities;
- 3) To revise new Constitution of Georgia Article 65 that presents restoration of Soviet model of General Prosecutor's Office.
