

**The Special Statement of the Rehabilitation Center for Victims of Torture
“Empathy” (RCT/EMPATHY)**

**Regarding Political Revenge and Persecution in connection with the Elections in
Georgia**

Unfortunately, an unprecedented physical and psychological violence takes place at present on the presidential elections in Georgia. The RCT/Empathy calls upon to everyone for applying in case of pressure, violence or obstruction, dismissal from work or other political persecution and harassment, - we will defend your rights, including in the European Court of Human Rights, as well as we will document facts with assessment of physical or psychological, moral damages.
